Chairman's letter to Shareholders

4 April 2019

Dear Shareholder,

The Annual General Meeting (**AGM**) of Glenveagh Properties PLC (**the Company**) will be held at 10 a.m. on 7 June 2019 at The InterContinental Dublin.

I believe that the AGM provides a worthwhile and meaningful opportunity for members to raise questions, engage with the Directors and to vote on the business of the meeting.

Even if you are not able to come to the meeting in person, all ordinary shareholders can still vote and I would urge all ordinary shareholders, regardless of the number of ordinary shares that you own, to complete, sign and return your proxy form as soon as possible but, in any event, so as to reach Computershare Investor Services (Ireland) Limited by **10 a.m. on 5 June 2019**. Alternatively, ordinary shareholders may register their proxy appointment and voting instructions electronically via the internet, details of which are provided in the notes section on pages 10, 11 and 12 of this document.

The Annual Report and Financial Statements for the period ended 31 December 2018 are available to view and download from the Company's website, www.glenveagh.ie.

The formal Notice of AGM appears on pages 6, 7, 8 and 9 of this document and this letter explains the 10 items to be transacted at the AGM.

Resolution 1 - Financial statements, annual report and affairs of the Company

Resolution 1 is asking members to receive and consider the Financial Statements and the reports of the Directors and Auditors for the period ended 31 December 2018 and a review of the affairs of the Company. It should be noted that Resolution 1 is an advisory resolution and is not binding on the Company.

Resolution 2 - Report of the Remuneration and Nomination Committee

Resolution 2 is asking members to receive and consider the Report of the Remuneration and Nomination Committee as set out on pages 78 to 89 of the 2018 Annual Report. It should be noted that Resolution 2 is an advisory resolution and is not binding on the Company.

Resolution 3 – Appointment & re-appointment of Directors

Resolution 3 deals with the appointment and re-appointment of Directors. In accordance with the provisions of the UK Corporate Governance Code, the Directors will retire from office at the end of the AGM and will offer themselves for re-appointment. The names of the Directors together with a

detailed description of the skills, expertise and experience that each of the Directors brings to the Board are set out on pages 90 to 93 of the 2018 Annual Report. As stated in the Annual Report, Caleb Kramer has informed the Board of his intention to step down as a Director in 2019 and therefore not to seek re-election at the Company's AGM.

The Board regularly reviews the performance of Directors. The Board is satisfied that all the Directors proposed for re-appointment have performed effectively and have demonstrated commitment to their respective roles.

Resolution 4 - Remuneration of the Auditors

Resolution 4 authorises the Directors to determine the remuneration of the Company's Auditors.

Resolution 5 - Notice of general meetings

Resolution 5 allows the Directors to call a general meeting (other than the AGM) on 14 clear days' notice where the purpose of the meeting is solely to consider one or more ordinary resolutions. Section 1102 of the Companies Act 2014 envisages that on an annual basis a company may pass a resolution such as this Resolution 5 to preserve its flexibility to call certain extraordinary general meetings, where appropriate, using the shorter notice period (14 clear days). This authority will be effective until the next AGM of the Company, when it is intended that a similar resolution will be proposed. This resolution is a common one at annual general meetings of companies listed on the Official List of the London Stock Exchange and/or Euronext Dublin.

Resolution 6 - Board authority to allot shares

Resolution 6 seeks to authorise the Directors to allot shares. In July 2016, the Investment Association issued updated guidance relating to this authority. This guidance generally supports resolutions seeking authority to allot up to a separate and additional 33.33% of a company's issued share capital (excluding treasury shares) in addition to the 33.33% authority already supported where the additional authority is applied to allot shares pursuant to a rights issue.

Accordingly, Resolution 6 authorises the Directors to allot shares up to an aggregate nominal value of €580,831 (representing approximately 66.66% of the issued share capital of the Company (excluding treasury shares) as at 5 p.m. on 1 April 2019 (the latest practicable date prior to the publication of this letter)) of which €290,415 (representing the separate and additional 33.33% of the issued share capital of the Company (excluding treasury shares) as at 5 p.m. on 1 April 2019 (the latest practicable date prior to the publication of this letter) referred to above) may be applied to allot shares pursuant to a rights issue.

The Directors have no current intention of exercising this authority. If adopted, this authority will expire at the conclusion of the next AGM of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed. This resolution is a common one at annual general meetings of companies listed on the Official List of the London Stock Exchange and/or Euronext Dublin and is in line with institutional shareholder guidance.

Resolution 7 & 8 - Disapplication of statutory pre-emption rights in certain circumstances

The Companies Act 2014 sets out pre-emption rights for members where new equity securities (essentially ordinary shares in the case of the Company) are to be allotted for cash. The Companies Act 2014 also provides for these pre-emption rights to be modified or disapplied. The London based Pre-Emption Group has issued guidelines for such modifications or disapplications. These guidelines were revised in March 2015 to allow the authority for an issue of equity securities for cash otherwise than in connection with a pre-emptive or exempted offer to be increased from 5% to 10% of a company's issued ordinary share capital (excluding treasury shares) provided that the company intends to use the additional 5% authority only in connection with an acquisition or capital investment. The guidelines were further updated in May 2016 to propose separate template resolutions for each 5% disapplication authority.

Accordingly, Resolution 7 is asking members to authorise the Directors to disapply the strict statutory pre-emption provisions in certain circumstances, being: (a) rights issues, open offers or other pre-emptive offers and subject thereto by way of placing or otherwise of any shares not taken up in such issue or offer; and/or (b) for allotments (other than by way of pre-emptive offers) up to an aggregate nominal value of €43,567 which represents approximately 5% of the total nominal value of the Company's issued ordinary share capital (excluding treasury shares) as at 5 p.m. on 1 April 2019 (the latest practicable date prior to the publication of this document). In accordance with the Pre-Emption Group's Statement of Principles (**the Pre-Emption Principles**), the Board confirms that it does not currently intend to issue

under Resolution 7 (b) equity securities for cash (other than any allotments of equity securities pursuant to (i) Resolution 8 or (ii) any other disapplication of pre-emption rights) representing in any rolling three year period more than 7.5% of the Company's issued ordinary share capital (excluding treasury shares) to those who are not existing shareholders.

Furthermore, Resolution 8 is asking members to authorise the Directors to disapply the strict statutory pre-emption provisions in additional circumstances, being for allotments (other than by way of pre-emptive offers) up to an additional aggregate nominal value of €43,567 which represents a further 5% of the total nominal value of the Company's issued ordinary share capital (excluding treasury shares) as at 5 p.m. on 1 April 2019 (the latest practicable date prior to the publication of this document). In accordance with the Pre-Emption Principles, the Board confirms in relation to Resolution 8 that it intends that any use of the authority in excess of 5% of the Company's issued ordinary share capital (excluding treasury shares) would be only in connection with an acquisition or specified capital investment. For this purpose and reflecting the Pre-Emption Principles, an acquisition or specified capital investment means one that is announced contemporaneously with the issue of share capital, or that has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

If adopted, the authorities granted pursuant to Resolutions 7 and 8 will expire at the conclusion of the next AGM of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed. These resolutions are common at annual general meetings of companies on the Official List of the London Stock Exchange and/or Euronext Dublin and are in line with institutional shareholder guidance, and in particular with the Pre-Emption Principles.

Resolution 9 - Authority to make market purchases

Resolution 9 is asking members to give the Company (and its subsidiaries) the authority to make market purchases and overseas market purchases provided that the maximum number of ordinary shares authorised to be acquired shall not exceed 10% of the issued ordinary share capital (excluding treasury shares) of the Company as at the date of the passing of this Resolution 9. If adopted, this authority will expire at the conclusion of the next AGM of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier) unless previously varied, revoked or renewed.

While the Directors do not have any current intention to exercise this power, this authority and flexibility is being sought as it is common practice for companies on the Official List of the London Stock Exchange and/or Euronext Dublin. Furthermore, such purchases would be made only at price levels which the Directors considered to be in the best interests of the members generally, after taking into account the Company's overall financial position.

In addition, the authority being sought from members will provide that the minimum price (excluding expenses) which may be paid for such ordinary shares shall be an amount not less than the nominal value of the ordinary shares and the maximum price will be the higher of:

- (a) 5% above the average of the closing prices of the Company's ordinary shares taken from the Euronext Dublin Daily Official List and/or the London Stock Exchange Daily Official List (as the case may be depending on where the purchase is carried out) in each case for the five business days prior to the day the purchase is made (the **Market Purchase Appropriate Price**) or if on any such business day there shall be no dealing of ordinary shares on the trading venue where the purchase is carried out or a closing price is not otherwise available, the Market Purchase Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable; and
- (b) the amount stipulated by Article 3(2) of the Commission Delegated Regulation (EU) 2016 / 1052 relating to such regulatory technical standards for the conditions applicable to buy-backs and stabilisation (being the value of such an ordinary share calculated on the basis of the higher of the price quoted for: (i) the last independent trade; and (ii) the highest current independent purchase bid for any number of such ordinary shares on the trading venue where the purchase pursuant to the authority conferred by the resolution will be carried out).

Resolution 10 - Authority to re-issue treasury shares

Resolution 10 is asking members to give the Company the authority to re-allot treasury shares pursuant to Section 1078 of the Companies Act 2014 and the re-allotment price range at which treasury shares may be re-allotted is as follows:

- (a) the maximum price at which a treasury share may be re-allotted off-market shall be an amount equal to 120% of the **Treasury Share Appropriate Price**; and
- (b) the minimum price at which a treasury share may be re-allotted off-market shall be an amount equal to 95% of the **Treasury Share Appropriate Price** (provided always that no treasury share shall be re-allotted at a price lower than its nominal value).

If adopted, this authority will expire at the conclusion of the next AGM of the Company or at midnight on the date which is 15 months after the passing of the resolution (whichever is earlier), unless previously varied, revoked or renewed. (For the purpose of the resolution, **Treasury Share Appropriate Price** means the lower of the average of the closing prices of the Company's ordinary shares taken from the Euronext Dublin Daily Official List and the average of the closing prices of the Company's ordinary shares taken from the London Stock Exchange Daily Official List in each case for the five business days (in Dublin and London, respectively, as the case may be) prior to the day the re-issue is made (or if on any business day there shall be no dealing of ordinary shares on the trading venue or a closing price is not otherwise available, the Treasury Share Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable)).

Recommendation

The Board of Directors is satisfied that each of the resolutions set out in the Notice of AGM are in the best interests of the Company and its members as a whole. Accordingly, your Board of Directors unanimously recommends that you vote in favour of each of these resolutions to be proposed at the AGM.

Yours faithfully,

John Mulcahy
Chairman

9. That, pursuant to Section 1074 of the Companies Act 2014, the Company and any subsidiary of the Company be and they are each hereby generally authorised to make market purchases and overseas market purchases (in each case as defined by Section 1072 of that Act) of ordinary shares in the capital of the Company on such terms and conditions and in such manner as the Directors may determine from time to time, but subject however to the provisions of that Act and to the following restrictions and provisions:

 - (ii) the amount stipulated by Article 3(2) of Commission Delegated Regulation (EU) 2016/1052 relating to regulatory technical standards for the conditions applicable to buy-back programmes and stabilisation measures (being the value of an ordinary share calculated on the basis of the higher of the price quoted for: (i) the last independent trade, and (ii) the highest current independent purchase bid for, any number of ordinary shares on the trading venue where the purchase pursuant to the authority conferred by this Resolution will be carried out);

provided that such authority shall expire on the conclusion of the next annual general meeting of the Company after the date of passing this Resolution or at midnight on the date which is 15 calendar months after the date of passing this Resolution (whichever is earlier), unless previously varied, revoked or renewed by special resolution in accordance with the provisions of Section 1074 of the Companies Act 2014. The Company may, before such expiry, enter into a contract for the purchase of ordinary shares which would or might be executed

wholly or partly after such expiry and may complete any such contract as if the authority conferred hereby had not expired.

10. That, for the purposes of Section 1078 of the Companies Act 2014, the re-allotment price range at which any treasury shares (as defined by Section 106 of that Act) for the time being held by the Company may be re-allotted off-market shall be as follows:
- (a) the maximum price (excluding expenses) at which a treasury share may be re-allotted off-market shall be an amount equal to 120% of the "Treasury Share Appropriate Price"; and
 - (b) the minimum price (excluding expenses) at which a treasury share may be re-allotted off-market shall be an amount equal to 95% of the "Treasury Share Appropriate Price" (provided always that no treasury share shall be issued at a price lower than its nominal value); and
 - (c) for the purposes of sub-paragraphs (a) and (b) above, the expression "Treasury Share Appropriate Price" shall mean the lower of the average of the closing prices of the Company's ordinary shares taken from the Euronext Dublin Daily Official List and the average of the closing prices of the Company's ordinary shares taken from the London Stock Exchange Daily Official List in each case for the five business days (in Dublin and in London, respectively, as the case may be) prior to the day the re-allotment is made, or if on any business day there shall be no dealing of ordinary shares on the trading venue or a closing price is not otherwise available, the Treasury Share Appropriate Price shall be determined by such other method as the Directors shall determine, in their sole discretion, to be fair and reasonable.

The authority hereby conferred shall expire on the conclusion of the next annual general meeting of the Company after the date of passing this Resolution or at midnight on the date which is 15 calendar months after the date of passing this Resolution (whichever is earlier), unless previously varied, revoked or renewed by special resolution. The Company may before such expiry make a contract for the re-allotment of treasury shares which would or might be wholly or partly executed after such expiry and may make a re-allotment of treasury shares pursuant to any such contract as if the authority hereby conferred had not expired.

Voting rights and total number of issued shares

7. As an ordinary shareholder, you have several ways of exercising your vote: (a) by attending the AGM in person, (b) by appointing a proxy to attend and vote on your behalf, either by post or electronically, or (c) by appointing a proxy via the CREST system if you hold your ordinary shares in CREST. In the case of joint holders the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other registered ordinary shareholders and for this purpose seniority shall be determined by the order in which the names stand in the register of members in respect of the joint holding.
8. The total number of issued ordinary shares on the date of this Notice of AGM is 871,333,550. Each ordinary share carries one vote. On a vote on a show of hands, every ordinary shareholder present in person and every proxy has one vote (but no individual shall have more than one vote). On a poll every ordinary shareholder shall have one vote for every ordinary share of which he or she is the holder. Ordinary Resolutions require to be passed by a simple majority of votes cast by those ordinary shareholders who vote in person or by proxy. Special Resolutions require to be passed by a majority of 75% of votes cast by those ordinary shareholders who vote in person or by proxy.

Questions at the AGM

9. The AGM is an opportunity for members to put questions to the Chairman during the question and answer session. Before the AGM, a member may also submit a question in writing by sending a letter and evidence of their shareholding at least four business days prior to the AGM by post to the Company Secretary, at the Company's Registered Office.
10. Under Section 1107 of the Companies Act 2014, the Company must answer any question which a member may ask relating to the business being dealt with at the AGM unless:
 - (a) answering the question would interfere unduly with the preparation of the AGM or the confidentiality and business interests of the Company;
 - (b) the answer has already been given on the Company's website in a question and answer format: or
 - (c) it appears to the Chairman of the AGM that it is undesirable in the interests of good order of the meeting that the question be answered.

- (b) a request which states the full name and address of the member(s) and is sent to the Company Secretary at investors@glenveagh.ie.

A requested item or draft resolution must not be such as would be incapable of being passed or otherwise be ineffective or redundant (whether by reason of inconsistency with any enactment or the Company's Memorandum and Articles of Association, or on account of the substantive nature of other resolutions on the agenda of the AGM, or otherwise). Any requested item or draft resolution must not be defamatory of any person.

Subject to the Companies Act 2014 and any provision of the Company's Articles of Association, where a resolution is proposed as a special resolution, no amendment to the resolution (other than an amendment to correct a patent error) may be considered at the general meeting.
